

REPRESENTATION AGREEMENT UPDATE

The Representation Agreement Resource Centre has been working on the development of a Registry for Enduring Powers of Attorney and Representation Agreements. A student has been hired for the summer to assist with the project. People with a fax or computer at home will soon be able to register their agreements themselves, but others may need assistance. Community organisations are being approached to act as Registration Agents with perhaps a small fee as a commission for the initial work. If you, or your seniors group/centre are interested please call 604 408 7414 for further information
